Hi Phil, Jonathan and Nick,

Anticipating Congress will be sending EPA a request to respond to the attached letter from the Nez Perce Tribe regarding Stibnite ASAOC/SOW, can you please compare the attached letter from the Tribe to Congress against the letter the letter the Tribe sent to EPA.

I suspect the two letters present similar concerns and we will need to be consistent in our responses.

To the extent any action is needed, I suggest that RSD take to the lead in close coordination with PPED. Please be prepared to discuss at the AA bi-weekly on Thursday.

Susan, Larry, Cyndy:

I wanted to make sure you were aware that the Nez Perce Tribe submitted a letter to 6 members of Congress regarding Stibnite ASAO. From the text of the letter, it also looks like the Tribe attached their comments on the earlier version of the ASAO.

I also understand that the RA's letter commenting on the Draft EIS for the Stibnite Mine was signed today, but I don't have a copy yet.
